AND ENERGIZING)

## CANNABINOIDS:

---

TOTAL - 34.88%, THC - 29.04%,  
CBD - 0.15% , CBG -1.45%

## TYPICAL EXPERIENCES:

---

THIS STRAIN IS GASSY! THIS INDICA DOMINANT HYBRID PACKS A BIG PUNCH AND DOESN'T LACK ON THE TASTE OR SMELL. SHE IS A HEAVY YIELDER WITH BOULDERS FOR NUGS. THE TERPS ARE LOUD, BOASTING HUGE DANK GAS WITH EARTHY UNDERTONES ALONG WITH A EVER SO SLIGHT GELATO-Y CREAM SMELL. THE SMOKE IS SMOOTH AND THE HIGH IS HEAVY. ITS PERFECT FOR RELAXING AND WILL HELP YOU TAKE A LOAD OFF, BUT DON'T PLAN ON DOING MUCH AFTER SMOKING THIS LADY UNLESS IT'S A NAP.
