GRAB YOUR FORK BECAUSE THIS STRAIN WILL HAVE YOU THINKING IT'S THANKSGIVING. IT PACKS EXTREMELY SAVORY TERPS, ALMOST LIKE THANKSGIVING TURKEY MIXED WITH BITS OF BERRIES. THE FLAVOR PROFILE IS UNIQUE AND ONE OF A KIND. GOOD SIZE FLUFFY NUGS HAVE A CRAZY RED/PINK/PURPLE COLOR TO THEM. THE NUGS BREAK OUT GOOD AND THAT THANKSGIVING SMELL COATS THE AIR WITH HINTS OF BERRIES STILL COMING THROUGH. IT COMES IN WITH A NICE BODY HIGH THAT WILL SINK YOU IN THE COUCH IF YOU LET IT.
