MYRCENE (SEDATIVE AND
RELAXING),

CANNABINOIDS:

TOTAL - 31.58%, THC - 26.37%,
CBD - 0% , CBG -1.5%

TYPICAL EXPERIENCES:

THERES ONE THING FOR CERTAIN ABOUT THIS STRAIN, IT WILL LEAVE YOU FEELING FIRST CLASS! THE CULTIVAR IS BEAUTIFUL, BOASTING HUGE ROCKET SHIP NUGS THAT REACH FOR THE STARS. THE NUGS ARE GLISTENING AND HAVE A NICE GREEN HUE. THE SMELL OF GARLIC, ONIONS AND GAS WILL TAKE HOLD OF THE ROOM, TO THE POINT WHERE YOU CANT SMELL ANYTHING ELSE. THE HIGH IS GREAT. LEANING HEAVILY ON THE INDICA SIDE THE HIGH COMES IN FAST AND WILL PUT YOU WAY INTO THE COUCH. DON'T PLAN ON GOING OUT MUCH AFTER YOU LIGHT THIS UP.
